The dot in the middle would be smaller and the lines would ripple out.

DASHBOARD

TAKE PICTURE

CROPPING

Velkommen til dit BRUGERPANEL

Her kan du:

Uploade et billede og en video, som allerede ligger på din telefon...

...eller tage et nyt billede direkte i appen inden du uploader.

Hvis du ikke længere skal bruge dit billede og din video, kan du nemt slette dem igen.

Jeg forstår

Billedet du tager skal være
genkendeligt!

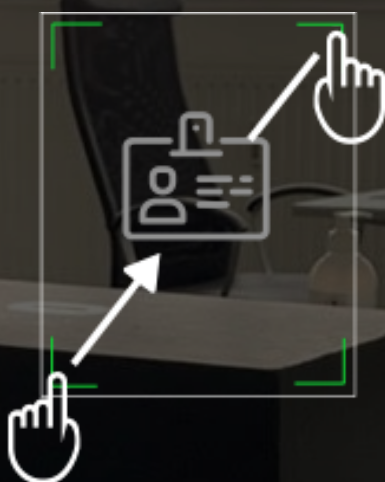

Tag ikke billeder af dyr, mennesker
eller objekter, men af f.eks.
malerier eller mærkater der er
omkring dig.

Jeg forstår

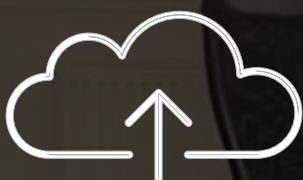

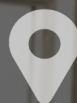

Hvad skal genkendes?

Træk i de grønne hjørner, så Vileon
ved hvad der skal scannes

Jeg forstår
